Congratulations

To **Kyle and McCall Casteel** on the arrival of little **Banks Atlee Casteel** on Wednesday morning at 6:09 am! He weighed 6 lbs. 11 oz and was 19" long. Brad and Sandra Casteel are the very proud grandparents!

Announcements

Tommie Tribble is now at Limestone Health Facility in Room 40A. Prayers for her adjustment to this new environment.

Brother Guy continues recovering from a recent fall. He is still sore and bruised, but he says he is feeling better. He is thankful for all prayers on his behalf as he heals.

Announcements

Peggy Carter continues recovery from a fall which broke several bones. She is doing better, but is still non-weight-bearing for 5 more weeks! Please pray for a full recovery.

Announcements

Continued prayers are needed for **Bobby Nixon**. The tumor that was removed from his bladder last week was cancer. He is to begin chemo treatments on Aug 14th for 6 weeks. Also, his doctor has decided he does not need the gallstone surgery at this time.

Peggy Nixon is still awaiting a surgery appointment in Chattanooga to have another kidney stone removed.

Announcements

Geraldine Legg is recovering from surgery on Friday to freeze a tumor on her left kidney at North Alabama Medical Center in Florence.

Prayers are requested for **Kayla Norman**, Tommy Graves' daughter. She has pneumonia and still has a bad cough. She is feeling a little better.

Announcements

Stuart & Molly Wilson's young friend **Breleigh Kirchner** is recovering well from her surgery earlier this month. Her pain now is associated with certain tasks and movements. She was to get one cast off and then get a new one last Thursday. That cast will be followed with new orthotics. She won't be going back to school for close to 3 months. Continued prayers are requested.

Announcements

Update on **Greg Casteel** from Brenda Adams: He didn't get a good report in B'ham last week. He has cancer in his leg and treatments have not shrunk the tumor. It is wrapped around two main blood vessels so they may not be able to do surgery. If they cannot remove the tumor, there is a possibility they may have to amputate. He has a doctor appointment on Thursday to discuss. Continued prayers.

Announcements

Prayers please for **Cathy Harrison**, sister of Jon Collins, and her family. Their house in Alabaster was struck by lightning & caught fire on Friday. Thankfully they were able to get out of the house. Cathy is the grandmother of Cisco, who has been on the prayer list for some time (he was born with a severe case of epilepsy and still unable to talk or walk), The house isn't a complete loss, but due to all the water used by firefighters, it will be quite a while before they will be able to move back in, if at all. Please keep them in your prayers.
